Slap shots and tackles are NOT allowed.
Instead of imposing 2-minute penalties we use penalty shots. All players on the ice will line up at the defence blue line and sit down on one knee. When the player who takes the penalty shot touch the puck the play is released again.
Icing is normally not called.

The games are 2 x 15 minutes running time. (We do not stop the clock)

Accommodation

Please be aware that you will need to book your accommodation in very good time as the hotels in Esbjerg often are fully booked because of the offshore industry.
We can recommend the Danhostel located close to the arena.
But more opportunities are to find in www.booking.com.

Danhostel: www.danhostelesbjerg.dk
This is located right next to the ice hockey arenas and probably the most preferable option.
